Yes, I'm hoping this email will remind him! If not, I'll follow up with him.

Hello, Anthony.

Paula and I would like to thank you for meeting with us last week. We very much appreciate the time you took to share your thoughts about mining impacts in the Upper Animas Basin and related community concerns. The information you provided will be very useful to both of us.

Please feel free to contact me if you have questions of us.

Best regards,

Cynthia
